STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

By Order No. 6/57/69-LRII, dated September, 17, 1969, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to the management of Messrs Lodna Colliery Company (1920) Limited at their Sripur Seam Incline Colliery and their workmen to this Tribunal, for adjudication, namely:

- (1) Whether the nucleus of permanent wagon loaders as maintained at present by the management of Messrs Lodna Colliery Company, (1920) Limited at their Sripur Seam Incline Colliery, Post Office Kalipaharl, District Burdwan is adequate and justified, keeping in view the manpower requirement for the work of wagon loading of the Colliery? If not, what should be the nucleus and to what relief the casual wagon loaders are entitled in this respect?
- (2) Whether the wagon loaders employed on casual basis at the same Colliery are paid properly at the rate recommended by the Wage Board on Coal Mining Industry? If not, to what relief are these workmen entitled and from what date?"

2. The workmen filed their written statement, the management did not.

3. I need not go into the merits of the disputes because there has been a joint petition, filed before this Tribunal, signed on behalf of the employers and the General Secretary of the Ningha Colliery Mazdoor Union stating:

"That both the Management and the Union representing the workmen discussed the matter mutually and have settled the above dispute out of court."

They jointly prayed for a "no dispute" award in the reference. Since no dispute now exists between the employers and the employees, I accept the prayer and make a 'no dispute' award in this matter. Let the petition of compromise form part of the award.

4. Two contractors of the name of Ram Suresh Singh and T. Ojha were made parties to the reference. They did not participate in the reference and I find them wholly unnecessary parties. These two contractors did not sign the petition of settlement. Since in my opinion they are not necessary parties, the fact that they did not put their signatures on the settlement does not matter.

Both the parties abovenamed beg to state and submit as follows:—

1. That the Central Government has referred the following dispute for adjudication to this Honourable Tribunal in their Order, dated 27th June, 1969:—

"Whether the action of the Management of Lanjiberna Limestone Quarry of M/s. Orissa Cement Limited, refusing to pay wages to Shri Raghunath Panda, Canteen Assistant for the period of suspension from 24th October, 1967 to the 11th June, 1968 was justified. Memorandum of Agreement

Messrs. Orissa Cement Limited, Post Office, Rajgangpur, District Sundargarh (Orissa State) hereinafter referred to as "The Management" of First Part and Shri Raghunath Panda, employed as Canteen Attendant at the Lanjiberna Limestone Quarries of the Orissa Cement Limited, hereinafter referred to as "The Worker" or Second Party of the Second Part hereby mutually agree as follows:—

1. That the Management had issued charge-sheet to the Second Party for committing theft and he was suspended with effect from 24th October, 1967. The Second Party submitted his explanation and as the same was not found to be satisfactory an enquiry was held into the allegations contained in the charge-sheet and the charges were duly proved.

2. That the Second Party approached the Management and prayed to have mercy on him and to consider his reinstatement. It is because of this explicit request that the order of dismissal was not immediately passed and the matter was kept pending for consideration. Ultimately the Management gave him opportunity to serve the Company even though he was found guilty; and an order was passed on or about 11th June, 1968.

3. That order of the Management reads as follows:

"Since you have been found guilty of serious misconduct you deserve the punishment of dismissal from the services of the Company. But the same is being not done with a view to giving you yet another opportunity to improve and instead of imposing upon you the punishment of dismissal, the Management confirms four days suspension period which you have already undergone as a gesture of punishment. You will not be entitled to remuneration for the period of suspension undergone by you as if you have been dismissed.

It is believed that you will appreciate the leniency shown and would justify the generosity extended by better conduct and work and would refrain from committing such or any other misconduct in future.

You are permitted to resume your duties with immediate effect".

4. The Second Party agrees that he has been allowed to resume his duties and does not wish to press for any claim in relation to the period of suspension in as much as the prolongation of the suspension was at his own request.

5. That the Second Party hereby agrees that he will instruct the Union on his behalf not to file a statement before the Tribunal and that in case they so choose to file, this agreement may be taken as the basis for the relevant statement required under the law.

6. That the Second Party agrees that he is not entitled to any relief and that the Management had every right in terms of the standing orders to suspend him pending enquiry and no allowance was payable during such period.

7. That Management on the representation of the Worker or Second Party agree to pay him Rs. 500.00 (Five hundred only) as *ex-gratia* on compassionate grounds. It should be deemed to be in full and final settlement of all claims and/or demands in this regard.

8. That the Parties agree to file this agreement before the Industrial Tribunal for passing an Award in terms of this settlement in the Industrial Dispute Case No. 9 of 1969 pending before the Presiding Officer, Central Government Industrial Tribunal (No. 2) Dhanbad.

AWARD

The Government of India in its Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment) had, by order No. 7/22/67-LRII dated 13th May, 1968, referred this dispute to me for adjudication. The issue as per schedule annexed to the notification is this:—

Having regard to the nature of the duties performed by Sarvashri Dhansetty Laxmaiah, Chenneda Malliah, Sriramula Lingah, Shaik Maboob, Pani Veeramaloo, Pantadi Siviah, Boina Pedda Komaraiah, Konda Enkatty, Chintam Posham, Konda Ellaiah, Kolluri Meenaiah, Chelupuri Rajam, Gaddam Gattu, Chinna Bugiah, Udurukota Malliah and Dongari Komaraiah, in the Somagudem Mine of Singareni Collieries Company Limited, whether the action of the management in not confirming the said workmen is justified? If not, to what relief and from what date the workmen are entitled?

The Tandur Coal Mines Labour Union represented by its President is party to the reference. The statement of claims was filed by and under the signature of Mr. S. Nagiah Reddy who is President of the Tandur Coal Mines Labour Union. The claim put forward on behalf of the 16 persons mentioned in the reference is for confirmation. The Management had filed counter to say that the claim put forward on behalf of the claimants was not tenable. It is not necessary to refer

to the pleadings of the parties in detail because a compromise is today filed by Mr. Shyam Mohan, Personnel Officer of the Collieries from Belampally. It is signed by Mr. S. Nagiah Reddy on behalf of the workmen. On behalf of the Management it is signed by Mr. Vasudevan, Deputy General Manager, and by Mr. Shyam Mohan. Two witnesses have attested it. They are Mr. M. V. Galande and N.V.N. Chari. The date of the compromise is 13th December, 1969 I have perused the terms of the compromise. They are fair and equitable between the parties.

2. Award is herewith passed in terms of the compromise dated 13th December, 1969, copy whereof is appended hereto.

Given under my hand and the seal of the Tribunal, this the 22nd day of December, 1969.

AWARD

By Order No. 6/52/69-LR.II, dated August 30, 1969, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to the management of Chora Colliery No. 7 and 9 Pits and their workmen, to this Tribunal, for adjudication, namely:—

“Whether the management of Chora Colliery numbers 7 and 9 Pits, Post Office Bahula, District Burdwan, was justified in dismissing from service the following workmen with effect from the 6th February, 1969:—

- (1) Shri Shiodutta Nonia, H.E. Khalasi.
- (2) Shri Ram Rup Paswan, Trammer.
- (3) Shri Hari Kewat, Trammer.
- (4) Shri Jagnaraian Rajvor, Loader.
- (5) Shri Lakhman Jalswara, Loader.
- (6) Shri Lalchand Harijan, Loader.
- (7) Shri Chedilal Rajvor, Loader.
- (8) Shri Rajdeo Harijan Loader.
- (9) Shri Sriram Kurmi, Pick Miner.
- (10) Shri Chiller Harijan, Pick Miner.
- (11) Shri Jamarudin Mia, Trammer.
- (12) Shri Srikanta Das, C.C.M. Driver.
- (13) Shri Muneshwar Singh, C.C.M. Driver

If not, to what relief the workmen are entitled?”

2. Both the workmen and the management filed their respective written statement. Both appeared before the Tribunal on the date fixed for settling a date of

peremptory hearing. The management also filed some documents. Thereafter they took no further interest in the Reference. The workmen also took no further interest. I suspect there is one reason for this. In Miscellaneous Applications No. 42, 45 and 47 of 1969, under Section 33(2)(b) of the Industrial Disputed Act, I had granted approval to the order of dismissal of the self-same workmen. I need, however, state that in the said Misc. Applications, Chedilal Rajvor of the present reference was named as Chedilal Rabidas, Rajdeo Harlian in the present reference was named as named as Rajdeo Rajbhar and Srikanta Das of the present reference was named as Kanta Das. I do not think that variations are indications that separate persons were involved. Since approval to their order of dismissal had once been given much does not remain in the present reference. That may be the reason why parties are not contesting.

3. Be that as it may since parties are not contesting, I proceed on the basis that they have no further dispute now and I pass a "no dispute" award in the matter in the circumstances stated above.

Dated: December 18, 1969.

EMPLOYEES' STATE INSURANCE CORPORATION
Revised Estimates for the year 1968-69 and Budget Estimates for the year 1969-70

At their meetings held on the 16th and 17th February, 1968, the Standing Committee and the Corporation approved the Budget Estimates of the probable receipts and expenditure of the Employees' State Insurance Corporation for the financial year 1968-69. These were approved by the Central Government without any change vide letter from the Department of Labour and Employment No. 4(4) 68-HI, dated the 14th May, 1968.

2. The budget Estimates approved by the Central Government covered:—

- (i) measures needed for the running of the Scheme in various centres where it has already been implemented,
 and
- (ii) measures needed for the extension of the Scheme to additional areas.

3. When the Budget Estimates for 1968-69 were framed, it was anticipated that (i) the Scheme would be extended to new areas and (ii) medical care would be extended to the families of the Insured Persons as per programme detailed in Statement 'B' attached and from the dates shown against each item in Columns 3 and 5 thereof. However, due to administrative and other difficulties in making adequate medical arrangements by the State Governments concerned, the programme of implementation and extension of medical care to the families had to be modified. The Scheme was actually extended to some of the areas from dates later than those originally planned as per details shown in Column 4 of Statement 'B'. As regards the areas where the Scheme has not so far been implemented, the revised dates of implementation as now anticipated, have been stated against each item in appropriate columns of the above statement. The dates from which the medical care has been or is likely to be extended to families have also been similarly indicated.

4. As a result of further discussions and correspondence with the various State Governments, it is now anticipated that the Scheme will be implemented in new areas during the financial years 1968-69 and 1969-70 from the dates as shown in the Appendix-I. For the sake of convenience, the places where the Scheme has already been implemented in the past, with dates of implementation, have also been embodied in this Appendix. The number of employees already covered or proposed to be covered has also been revised in the light of latest information available and incorporated in Appendix-I. The dates from which the medical care has been extended or is likely to be extended to the families of the insured persons have also been indicated against each item in this Appendix.

5. The Revised Estimates for the financial year 1968-69 and the Budget Estimates for the financial year 1969-70 have been prepared in the light of the revised programme of implementation except for slight modification to cover possible delay due to unforeseen reasons. The figures of actual expenditure during the three financial years 1965-66 to 1967-68, the sanctioned Budget Estimates for the current financial year 1968-69 and the Actuals for the first eight months of the current year 1968-69 have also been exhibited in the relevant columns of the tabulated Budget Statement 'A'. These are submitted for consideration and approval.

The balance of expenditure provided in the Revised Estimates 1968-69 and Budget Estimates 1969-70 is shareable between the Corporation and Delhi Administration at the agreed ratio of 7:1. The anticipated recovery at the rate of 1/8th of shareable amount has been accounted for in the Revised Estimates 1968-69 and Budget Estimates 1969-70 on revenue side under the head "State Governments' share towards medical treatment and care initially incurred by the Corporation".

13. (a) The total expenditure on Administration during the year 1968-69 is anticipated to be Rs. 3,42,18,600 against Rs. 3,17,82,600 originally provided in the Budget Estimates for the year 1968-69.

(b) The provision under the Administration Expenses has been made on the basis of actuals for 1st 8 months of the current year 1968-69 and anticipated requirement for remaining four months.

(c) The per capita administrative expenditure on the basis of Revised Estimates of Rs. 3,42,18,600 will be Rs. 9.92 per insured employee per annum against the figure of Rs. 9.32 anticipated at the Budget Stage. The increase is mainly due to upward revision of rates of Dearness Allowance and House Rent Allowance.

14. *Depreciation and repairs and Maintenance Head-3-Hospitals and Dispensaries.*—Based on the trend of actuals during the current year 1968-69. The provision of Rs. 43.51 lacs and Rs. 44.04 lacs has been made in the revised estimates 1968-69 and Budget Estimates 1969-70 respectively under this head.

The State Governments who are actually running these Hospitals and Dispensaries have been advised to evaluate the standard rent of these buildings and credit this amount to the Corporation. The debit for this amount may be included in the total expenditure on medical arrangements for the Employees' State Insurance Scheme incurred by them to be shared between the Corporation and the State Governments in the prescribed ratio. The rent received from the State Governments will be adjusted directly as the revenue receipts of the Corporation under 'V-Rent, Rates and Taxes' and will not go to reduce the Administration Charges. The share of the expenditure incurred by the State Governments on the Medical arrangements for the Employees' State Insurance Scheme debitable to the Corporation, will as at present, continue to be charged as 'Medical Benefits'.

The expenditure on the repair, maintenance and depreciation etc., of buildings for the offices of the Corporation (including staff quarters) has also been steeply rising from 1965-66 as more and more buildings have come into being. The provision of Rs. 1,16,000 and Rs. 1,20,000 has been made for this purpose under the head "2-Administration Expenses-C-Other Charges" in the Revised Estimates for 1968-69 and Budget Estimates for 1969-70 respectively.

15. *Expenditure on Capital Account.*—The amount originally provided for expenditure on Capital Account was Rs. 560.44 lacs comprising (i) Rs. 60 lacs for the construction of office buildings (including staff quarters) (ii) Rs. 450 lacs for the construction of hospitals and dispensaries (iii) Rs. 50 lacs for the purchase of equipment of hospitals and (iv) Rs. 44,000 for the purchase of two staff cars.

(a) *Office Buildings (Including Staff Quarters).*—The provision of Rs. 60 lacs made in Budget Estimates 1968-69 has been reduced to Rs. 40.00 lacs in Revised Estimates 1968-69. This is based on the trend of actuals and anticipated payments.

(b) *Buildings of Hospitals and Dispensaries.*—The provision of Rs. 450 lacs under this head has been reduced to Rs. 295.48 lacs in the Revised Estimates on the basis of trend of actuals and anticipated payments.

(c) *Equipments for Hospitals.*—The provision of Rs. 50 lacs has been reduced to Rs. 25 lacs.

(d) *Staff Cars.*—The provisions of Rs. 44,000 made in the Budget Estimates 1968-69 for the purchase of 2 staff cars has been raised to Rs. 1,20,000 for the purchase of six staff cars.

16. *Loans to state Governments.*—A loan of Rs. 100 lacs had been sanctioned to the Government of Maharashtra for the construction of Hospitals etc. The Standing Committee at its meeting held on 24th May, 1968, sanctioned another Loan of Rs. 300 lacs to the State Government for the same purpose. The State Government has drawn a sum of Rs. 73,69,766 upto 31st March, 1968. A provision of Rs. 26,30,234 has been made in the Revised Estimates for 1968-69.

Budget Estimates for the year 1969-70.

RECEIPTS

17. (a) Income on account of Employers' Special Contribution (Rs. 1,869.75 lacs) which is payable quarterly in arrears, has been estimated @ 3 per cent of the total wages of the Employees in the implemented areas and @ 4 per cent of the total wages in the non-implemented areas. The provision under 'Employees' Contribution (Rs. 1,446.29 lacs) comprises contributions at the Scheduled rates from the employees of all implemented centres for the whole or part of the year depending upon the respective dates of coverage.

(b) An amount of Rs. 12.89 lacs has been included in the Budget Estimates for the year 1969-70 under the head 'State Governments' share towards medical Benefits initially incurred by the Corporation'. This represents recovery of the State Governments' share of the total expenditure incurred by the Corporation during 1968-69 and 1967-68 (Rs. 6.66 lacs) and likely to be incurred by the Corporation on the administration of medical care to the insured persons and their families in Delhi during 1968-69 (Rs. 6.23 lacs).

18. *Other Heads of Revenue.*—A sum of about Rs. 20.66 lacs is expected to be earned as interest on the investment of the General Cash Balance and Rs. 20.81 lacs as rent of which a sum of Rs. 20.00 lacs is expected to be recovered for the Hospital/Dispensary buildings owned by the Corporation, Rs. 5,000 from the Directorate (Medical) Delhi and the balance of Rs. 76,500 from the employees of the Corporation to whom the surplus accommodation available in the buildings owned by the Corporation has been let out or is likely to be let out for residential purposes.

19. *Expenditure.*—The increased provision under the various heads in the Budget Estimates for the 1969-70 as compared to corresponding provision in the Revised Estimates for the year 1968-69 is mainly due to.—

- (i) the extension of medical care to the families of insured persons.
- (ii) the extension of the Scheme to new areas; and
- (iii) the operation of the Scheme in areas where the implementation was brought about during the year 1968-69 for a full year.

20. (a) *Medical Benefits.*—The provision of Rs. 1,275.98 lacs in the Budget Estimates for 1969-70 represents the total expenditure likely to be incurred by the Corporation on medical care to 36,62,000 insured employees and an equal number of

units of their families, as detailed in Appendix-I. It includes expenditure of Rs. 51.87 lacs estimated to be incurred directly by the Corporation during 1969-70 for providing medical care to the Insured Persons and their families in Delhi and also Rs. 17.00 lacs towards confinement fee in Maharashtra Region. 1/8th of the latter (Rs. 17 lacs) will be deducted from the claim of State Government on receipt of the audit certificate in this respect from the Accountant General Maharashtra. The average expenditure, on medical care per insured person, varies from State to State.

The increased provision in the Budget Estimates for 1969-70 over the Revised Estimates for 1968-69 is due to additional coverage. Besides better and extensive hospitalisation facilities with the construction and function and functioning of hospitals exclusively for insured persons in various States also account for the higher provision.

(b) *Expenditure on Health Education Scheme.*—Health Education Scheme envisages the implementation of programme of Health Education for the insured persons under Section 19 of the Employees' State Insurance Act, 1948. It is proposed to set up ultimately a central unit at the Headquarters of the Corporation together with two field units at two pilot centres, one each in the areas covered by the panel and the service systems, and where the medical care has been extended to the families of the insured persons. The expenditure likely to be incurred on the two field units is proposed to be charged to 'Benefits' while the expenditure on the central units at the Headquarters will be a part of the Administrative Expenditure.

A provision of Rs. 1.15 lacs was made in the Budget Estimates for the year 1968-69 assuming that the Health Education Scheme would be introduced during the year. As this scheme has not yet been implemented only token provisions of Rs. 5,000 and Rs. 10,000 have been made in the Revised Estimates 1968-69 and Budget Estimates 1969-70 respectively.

21. *Cash Benefits.*—Provision made for the various cash benefits is based mainly on the actuals for the first 8 months of the year 1968-69. Due allowance has been made for the commencement of benefit periods in new areas. The capitalised values of the total liabilities of the permanent (partial and total) Disablement and Dependents' Benefits already arisen/expected to arise out of the employment injuries occurring in the course of the year have also been provided for.

22. *Administration Expenses.*—The Administration Expenses have been exhibited under two heads, viz. (A) Superintendence and (B) Field Work, Subject to the remarks in para 7(b) the head 'A' Superintendence' embraces Administrative Expenditure relating to the Headquarters and the Regional Offices while 'B-Field Work' covers similar expenditure pertaining to the Local and Inspection Offices.

23. (a) Provision on account of pay and allowances has been made for the posts which have already been sanctioned as also for posts required for certain new centres.

(b) A total provision of Rs. 3,62,48,400 has been made in the Budget for the year 1969-70 for Administration Expenses which works out pro-rata to about Rs. 10.01 per insured employee per annum, against Rs. 9.92 per insured employee per annum in the Revised Estimates of the current year.

(c) A statement showing details of the provision made under the head 'Allowances and Honoraria' is attached vide Statement 'C'.

24. *Contingencies (both under A-Superintendence and B-Field Work) and C-Other Charges.*—The various sub-heads under which provision has been made are self explanatory.

25. *Capital Expenditure.*—(a) *Office Building (including staff quarters).*—A sum of Rs. 30 lacs has been provided in the year 1969-70, to cover the cost of plots of land expected to be purchased/acquired in various places and construction of office buildings (including staff quarters).

(b) *Hospitals and Dispensaries and Equipments.*—A provision of Rs. 290 lacs has been made in the Budget Estimates for the year 1969-70 for construction of Hospitals and Dispensaries and Rs. 30.00 lacs for equipment of Hospitals. The expenditure has been estimated on the basis of requirements intimated by the various State Governments and sanctions accorded by the Corporation to the construction of Hospitals and Dispensaries etc.

26. *Loans to State Governments.*—Subject to remarks in para 16 above, a provision of Rs. 80.00 lacs has been made in the Budget Estimates 1969-70.

27. *Cash Balance*—(a) During the year 1968-69, the revenue deficit is now estimated to be Rs. 15.74 lacs as against the surplus of Rs. 27.19 lacs originally estimated. Funds amounting to Rs. 403.72 lacs will be required during the year 1968-69 for meeting the Revenue deficit and Capital Expenditure, including Loans.

(b) A revenue deficit of Rs. 93.92 lacs has been estimated during the year 1969-70. Since a sum of Rs. 430 lacs has been provided for meeting capital outgo including loans during 1969-70 additional cash funds to the extent of Rs. 523.92 lacs will be required for disbursement during the next year. Even after taking into account the securities and investments of Rs. 221.54 lacs, maturing during 1969-70, there will be a substantial short-fall. This can be met to the extent of Rs. 214 lacs by desisting from investing the moneys on behalf of various funds and transferring in lieu thereof securities of equivalent amount presently held under General Cash Balances to the credit of these funds. Besides, the Corporation will have to be extra careful to examine requests from State Governments for funds required for capital projects.

28. (a) The closing cash balances in current account and in-hand is expected to be as below:—

31st March, 1969.	Rs. 2,48,25,692/-
31st March, 1970.	Rs. 40,95,252/-

(b) In this connection, it may be observed that the total annual expenditure of the Corporation being of the order of Rs. 32 crores, there should be a minimum working balance of Rs. 3 crores at the close of any year so that we may not find any difficulty in carrying on our day-to-day activities for the immediately following month. The position stated in paragraph 28(a) ante if allowed to continue without any IMMEDIATE SOLUTION, is likely to cause a difficult situation even for the carrying on of the essential activities of the Corporation namely, payment of Cash and other Benefits to insured persons.

V. R. NATESAN,
Financial Adviser & Chief Accounts Officer,
Employees' State Insurance Corporation.

ANNEXURE II

The Financial adviser and Chief Accounts Officer's appraisal of the Financial position of the Employees' State Insurance Corporation with reference to revised estimates 1968-69 and budget estimates 1969-70.

A. Revenue and Expenditure:

(a) *Reimbursement of expenses on Medical Benefit.*—In view of the time-lag involved in the furnishing of complete and final Accounts by the State Governments, there is a carry-forward of accumulated outstanding liability in respect of Corporation's share of cost of medical benefits payable to State Governments for periods prior to 1st April 1968. Such outstanding liability amounts to about to Rs. 592 lakhs as on 1st April 1968 and is likely to increase to about Rs. 742 lakhs and Rs. 907 lakhs as on 31st March 1969 and 31st March 1970 respectively.

Additional resources are required to meet this outstanding liability.

(b) *Revenue Deficit.*—There is likely to be a revenue deficit of about Rs. 15.8 lakhs for the year 1968-69 and of about Rs. 93.9 lakhs for the year 1969-70.

Additional resources to the tune of about Rs. 109.7 lakhs have to be found to make up the revenue deficit for the two years before the end of 1969-70.

(c) *The Annual Cash Balance* as on 1st April 1970 is expected to be at Rs. 41 lakhs. The annual expenditure of the Corporation is of the order of about 3300 lakhs. The minimum working cash balance required at any time to carry on the

activities in all our offices would be of the order of about Rs. 300 lakhs (i.e. about a month's requirements).

Additional amount of about Rs. 150 lakhs is required for this purpose assuming that the Revenue deficit referred to at (b) above is made up.

B. Capital Construction:

As per decision of the Corporation at its last meeting, a total sum of about Rs. 1500 lakhs is required to meet the cost of capital construction in the next 4 to 5 years. This is made up of Rs. 1050 lakhs in respect of construction under-progress and Rs. 450 lakhs in respect of some projects construction on which had not commenced in early 1968, but which (projects) may be considered as essential so as to make up imbalances in a few States. As against this, the amount available as on 1st April 1968 by way of Employees State Insurance Fund is about Rs. 720@ lakhs and the total amount required to be paid for construction during 1968-69 and 1969-70 is estimated at about Rs. 800@ lakhs (@The difference, i.e. Rs. 80 lakhs will be met by way of loan from the Permanent Disablement Benefit Fund).

The position as on 31st March 1970 is, therefore, expected to be that (a) there will be still an outstanding balance of the committed sum i.e. Rs. 700 lakhs and (b) a loan of Rs. 80 lakhs from the Permanent Disablement Benefit Fund.

*The Corporation has authorised loan towards Capital Construction of an amount upto Rs. 450 lakhs to be advanced over a period of about 2 to 3 years.

C. Feasibility of Resources that could be tapped:

(i) Within the frame-work of the Employees' State Insurance Act as it stands:-
(a) Employers' Special Contribution:

Percentage increase w.e.f. say 1-7-1969.	Possible additional income Rupees (in lakhs).	
	(1969-70)	(1970-71)
1%	160	330
1%	320	660
Restoration of Schedule I rate of Employers' Contribution	530	1110

(b) *Increase of the State Government's share of Medical Expenditure*.—At present, the State Governments meet 1/8th of the total cost of medical benefits. Additional income for 1969-70 is estimated at Rs. 73 lakhs if the State Governments' share could be increased to 1/6th and at Rs. 220 lakhs if increased to 1/4th.

(ii) *With Amendment to the Employees' State Insurance Act*.—The possibility of an increase in the rate of Employees' Contribution as and when Hospital treatment is extended to members of families of the insured persons may be explored. Additional income for 1/4 per cent/1 per cent increase is indicated in para. C(I)(a) ante.

D. Expenses on Medical Benefits (from 1964-65 to 1967-68)

The cost of medical care as expressed in terms of (a) total expenditure and (b) per annum per employee (including State Governments' share) on medical benefit actually incurred has been showing the following increasing trend for the years from 1964-65 onwards.

	Total (Lakhs) (Approximate)	Per annum per employee
1964-65	965.05	36.35
1965-66	1161.88	38.81
1966-67	1238.18	41.08
1967-68	1581.58	48.20

**CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT
JABALPUR**

Dated December 24, 1969

PRESENT:

Shri G. C. Agarwala, Presiding Officer.

CASE REF. NO. CGIT/LC(R) (31)/1969

PARTIES:

Employers in relation to the Punjab National Bank Limited Vs. Their workmen.

APPEARANCES:

For Bank.—Shri R. P. Raizada, Staff Officer.

For Workmen.—Shri P. N. Sharma, President, M. P. Bank Employees' Association.

INDUSTRY: Bank.

DISTRICT: Bilaspur (M.P.)

AWARD

By Notification No. 23/67/69/LRIII, dated 8th July 1969, the Ministry of Labour, Employment and Rehabilitation (Department of Labour & Employment), Government of India, referred the following matter of dispute as stated in the schedule to the order of reference to this Tribunal, for adjudication:—

Matter of Dispute

"(1) Whether Shri Om Prakash Tuteja, Godown Keeper at Akaltara Godown Centre under Bilaspur office of the Punjab National Bank Limited was eligible to be confirmed in the Bank's service and if so from what date ?

(2) Whether the termination of employment of Shri Om Prakash Tuteja, Godown Keeper at Akaltara Centre under Bilaspur Office of the Punjab National Bank Limited with effect from the 1st August, 1968, was legal and justified? If not, to what relief is he entitled?"

The Union which sponsored the dispute claimed that Shri O. P. Tuteja was appointed in a permanent vacancy on 13th May 1966 and by reason of Paragraph 23.15(b) of Desai Award he shall be deemed to have been confirmed. But since the Union pressed for benefit of permanent service the Bank terminated the services of Shri Tuteja on 1st August 1968. The Bank, however, contended that Shri Tuteja was a temporary employee and was employed purely on temporary basis. His salary was borne by the borrowers and his services came to an automatic end when the account was closed on 31st July 1968.

After statements of claim and rejoinders were filed additional issues in the case were settled on 15th November 1969 and the case was listed for hearing for today. The parties have, however, filed compromise petition which has been duly verified before me. Under the terms of compromise which are reproduced in annexure to this award, the Bank has agreed to appoint Shri Tuteja as a fresh probationer clerk-cum-godown keeper in the first available vacancy. The Union in view of this has withdrawn the dispute. The terms are fair and reasonable and a compromise award is hereby recorded.
